

HANS SFI 38.1 Recertification

SFI 38.1 Head and Neck Restraints must be recertified every five years to maintain SFI certification. For example, if your device was certified in January 2012 or earlier, it will require recertification by February 1, 2017. Devices passing the inspection will receive a new SFI 38.1 conformance sticker marked with the inspection date that will remain valid for 5 years.

Services

- **Level 1** (Inspection & Replace SFI Tag) | **\$25.00**
- **Level 2** (Inspection, Replace SFI Tag, Replace Tether System) | **\$45-125.00 Dependant upon tether system**
- **Level 3** (Inspection, Replace SFI Tag, Replace Tether System, Rubber Shoulders if needed) | **\$120.00 - \$200.00 Depends on tether system & rubber shoulders**

Instructions

1. Print out **Page 2** and fill in your information for us to contact you.
2. Pack your device and this form in a box. Then ship it to us (see address below)
3. We will inspect your device and call you with the needed services.
4. Your recertified device will then be shipped back to you.

I have elected to return my SFI 38.1 head restraint to Stable Energies Motorsports for recertification. I am responsible for shipping the device to and from Stable Energies Motorsports. I have been informed about the recertification process. I agree to pay all fees plus any applicable parts and shipping. If any additional repairs and necessary I will be contacted by a Stable Energies Motorsports representative and given the opportunity to accept or decline additional charges before the work is done. If the necessary repairs to recertify the device are declined by me, the device will be returned without a new SFI recertification sticker.
